

# Owl Class

Summer 2025

Topic: *I wonder ...*

Dear Parents,

The whole school topic this term is 'I wonder ...' Our topic work will focus on 'I wonder how plants grow' and after half term, 'I wonder what lives in the garden'. We will be investigating and exploring the natural world around us. We will be looking at the different parts of a plant and how they grow. The children will be involved in lots of practical activities including planting seeds and nurturing them. We will

be going on minibeast hunts to learn about the different things that live in our garden. The children will take part in sorting, matching and comparing activities using plants and

minibeasts. We will look into how to protect and care for living things in our local environment.

We will be using a range of different fiction and non-fiction books this term to support our learning, including *Mad about Minibeasts*, *The Very busy Spider* and *The Big Book of bugs*.

This term will also include our annual Earth Day and Sports Day events. We hope to

invite you to a class assembly at the end of the summer term, to share the work we have been doing.

Our cooking activities will continue. We ask for a contribution of £1 per week to support the cost of the ingredients. Please continue to provide your child with their own daily snack and drink. You are welcome to send in a bottle of squash if you prefer.

We will continue to send daily messages via Class Dojo or alternatively, my e-mail is: [JohnsC14@hwbcymru.net](mailto:JohnsC14@hwbcymru.net)

Thank you for your support.
